

Welcomes

New Hand & Upper Extremity Specialist

Jason Shrouder-Henry, M.D., MBA

Dr. Jason Shrouder-Henry is a fellowship-trained orthopaedic surgeon treating adults and children with orthopaedic hand and upper extremity conditions by offering a wide range of services, including fracture management, care for arthritis, and treatment for nerve compression.

He completed his Medical Doctorate at Georgetown University School of Medicine, his orthopaedic surgery residency at University of Toronto and completed two fellowships, one in hand and microvascular surgery at the San Antonio Hand Center, followed by a fellowship in shoulder and elbow surgery at the University of Toronto.

Dr. Shrouder-Henry strives to return patients to the highest level of function through conservative care, and when appropriate, minimally invasive surgery for disorders of the hand, wrist, elbow and shoulder.
